## ABSTRACT:

Co-operative sector is playing very crucial role in the development of India. The main focus of the study is to find out the present scenario co-operative sector of Maharashtra by considering quantitative indicators and some selected aggregate indicators. The present research paper is entirely based on secondary data.

**Abstract Report:** The Title Accurately Said The Study was About.

## INTRODUCTION:

A cooperative is an autonomous association of persons united voluntarily to meet their common economic, social and cultural needs and aspirations through a jointly-owned and democratically controlled enterprise. Self-help, self-responsibility, democracy, equality, equity and solidarity are the values of cooperative organizations. The cooperative played vital role in development of Maharashtra.

**Introduction Report:** This Article Include Full Introduction, Methods, Results & Introduction Section.

## METHODS & MATERIALS:

Present research paper is entirely based on secondary data. Secondary data has been collected from books related to the co-operative movement and internet. When common brands are developed for cooperative products, and are disseminated among consumers. It will offer huge direct and indirect employment opportunities to their members and will empower them with assured income.

**Methods & Materials Report:** Tables/Boxes/Diagram & Images are Used to Explain Specific Points or Background Information. Figures That The Plotted Parameters are Clearly Mentioned.

## RESULT:

It is again interesting to note that the financial position of the cooperative sector is also significantly improved which is reflected in improved turnover over the period of last 50 years. The position of working capital show steadily tremendous increasing trend which indicates widening strong financial base. However the loan position is alarming which has been seen from the loan outstanding and loan position.

**Result Report:** Figures are Imported to Provide Explanation for Background Information. Conclusion of This Paper Clearly Supported Results.

## CONCLUSION:

Co-operative sector has been playing a very significant role in the development of Maharashtra in general and rural area in particular. The cooperative sector spread in all the economic activities particularly it has been developed in the field of finance and production. Therefore it is an epicenter of the all socio-economic development of rural area. But at the present competitive era it is facing several problems.

**Discussion Report:** The Text is Rounded off with a Conclusion that Discusses the Implication of The Findings & Ideas Discussed & Their Impact on Future Research Direction.
