Tourist Centres In Mahabalipuram

Seethaladevi

Abstract:

The title was clear and well articulated. This paper highlights the Tourist centres in Mahabalipuram. Mahabalipuram is one of the most world heritage centre declared by UNESCO in the year 1984. The abstract was complete and essential details were presented.

Introduction:

These monuments bear testimony to the Pallava Architecture. The monoliths have wonderfully been created to enthrall the hearts of the architects and their admirers. It may perhaps be confusing where to start with, at Mahabalipuram. Introduction was justifying.

Methodology:

Author has not mentioned methodology separately. Objectives must be stated clearly and in detail.

Presentation of Results:

Author presented some facts related to the variable under study. Add figures and graphs for describing the data effectively.

Conclusions:

Conclusions must be stated clearly and they should be objective oriented.

Scientific Conduct:

There were no instances of plagiarism. Ideas and materials of others were correctly attributed.

Relevance:

The study was relevant to the mission of the journal or its audience. The study was worth doing.

Points to improve:

1. State objectives clearly and separately.
2. Results must be stated according to the objectives of the study.
3. Conclusions must be drawn.
