REVIEW OF THE ARTICLE

KCC – An Instrument Of Financial Inclusion

Dr. B. H. Damji

ABSTRACT:

The problem statement was clear and well articulated Agricultural sector plays very important role in Indian economy. It is a way of subsistence for the more than 58 per cent people. However, in spite of its significant role, it has been suffering stagnation and some other issues. The farming activity has been facing low productivity. Farmers cannot invest adequate capital in agricultural sector. The low investment results in low productivity. Thus the vicious circle comes in existence. The government has executed the policy of multi credit product for agriculture.
