ABSTRACT

Every human being is a social life and he cannot live in an isolated manner. He need help of others social being to accompany and kind support for his development. Korku tribal communities who are far away from the modern community and lives in the stapuda valley in melghat region are far away from his fundamental needs. When we speak about community itself have specific area, environment, common culture, language, habits, faiths, dress code etc.

REVIEWER COMMENTS

- This was a superb give an account of extremely intensive examination.
- The writing audit was careful, the approach was carefully exhaustive and fused the utilization of sufficient quantities of tests in dust size examination and blast tests.
